Re: 2-H Construction Services

To Whom It May Concern:

I would like to commend Dustin Hatley and his team for the amazing work they did at my retail store, Katy & Co. They were on schedule and on budget. Dustin managed his crew very well; I never had to worry about his dependability and quality of work. The construction of our new store location went flawlessly, and I would definitely use 2-H Construction again for any future commercial needs.

I have also utilized 2-H Construction for my rental properties. They have performed an entire home remodel for me as well as odd jobs, big and small. Whether Dustin and his team of people worked on a small rental property or my retail store project, I felt important no matter what.

I would highly recommend 2-H Construction Services for both commercial and residential projects.

Sincerely,

Katy Weddige

Owner, Katy & Co.
